Dear Peter:

This is in reply to your letter of September 7 to Charlie Sommers about the plans for the Tilton New Hampshire meeting on June 17 - 21, 1985. The Council will certainly want to be represented there.

A Council check for \$3,000 to assist in the support of this event will be sent to Dr. Cruickshank.

We understand that these funds will be employed to provide partial reimbursement of the travel and residence expenses of invited speakers and session chairmen. No part is to be used for support of any conference participants from private industry.

We are pleased to be able to support this worthwhile meeting.

Best regards.

Cordially,

R. F. Gertenbach
